

TimberTex

Shed & Fence Stain

Our water based TimberTex range of stains are specifically developed for the protection of both planed and rough sawn timber used in the shed, fence and pet home manufacturing industry. TimberTex provides good water repellency and lasting protection against the elements.

TimberTex is supplied in a range of colours and can be matched to your specification to enhance the appearance of the natural timber. The range can be supplied in several concentrates; 4:1, 7:1, 9:1, 20:1 and can also be supplied as ready for use.

Main benefits include...

- Excellent colour retention
- Durable & weather resistant
- Excellent water repellency
- Easily applied by dip, brush or spray
- Non-flammable
- Non-hazardous
- Low odour
- Safe to plants and pets once dry

At AquaTec Coatings, we offer high quality water based coatings at competitive prices. Our dedicated technical support and sales team is always on hand to provide excellent customer service.
